

Notice to All Members

We are getting ever greener by analyzing how we use our credit union resources. Recently, we decided to end our Saturday hours at our Burbank branch. Saturdays were a great convenience for some of our members, but the volume of visitors hasn't been enough to justify the transportation load, employee time and branch facility overhead, so we decided that conservation was the better policy. We will still open the branch on selected Saturdays when special events are in progress- either our own or in combination with the collective efforts of local businesses and the City of Burbank. We invite your comments and we apologize for any inconvenience.

Both the Studio and Burbank locations will retain their usual schedules.

Studio branch Monday-Friday 8:30am-4:30pm.

Burbank Branch Monday-Friday 9:00am-4:30pm
